

The One and Only

Powerman 5000

Yeah, yeah
The one and only
Yeah, yeah
The only one Yeah, yeah
The one and only
Yeah, yeah
To burn the sun Everybody this is it
The one and only
Megatronic super villainous It seems so simple
You can't survive
Think it over
Realize it's all the time you've got Everybody, can you see
The one and only
One and only, one and only me Yeah, yeah
The one and only
Yeah, yeah
The only one Yeah, yeah
The one and only
Yeah, yeah
To burn the sun Everybody gather 'round
Pick yourself and your feet
From off the ground and sink into the system To find a world without an end
You come around and back again
To sing the song of truth one last time It seems so simple, seems so right
But it's mostly just a lie
Am I the only one that knows what this means Yeah, yeah
The one and only
Yeah, yeah
The only one Yeah, yeah
The one and only
Yeah, yeah
To burn the sun Yeah, yeah
The one and only
Yeah, yeah
The only one Yeah, yeah
The one and only
Yeah, yeah
To burn the sun Forbidden planet
Forbidden hope

Electric God's a machine or a ropeEarth needs a killer
To burn the sun
Automatically adopted as the oneEverybody understand
I speak the truth
'Cause I lie more than any manExpend expendable
You'll never last
Destroy the now
'Cause it's here and it's going fastYeah, yeah
The one and only
Yeah, yeah
The only oneYeah, yeah
The one and only
Yeah, yeah
To burn the sun around
