

I Could Get Used To This

'til Tuesday

So far, should I take it just a little farther?
So good and if I think about it it gets better
I could get used to this
I could get used to this
I could get used to feelin' the way that I do
So long, or should I stay a little longer?
So much for keeping it a secret
I could get used to this
I could get used to this
I could get used to feelin' the way that I do
All the times I told myself I could never fall in love
Love is just too difficult, oh
Too bad, I'm only talkin' to myself about it
So sad, I guess, I'm going to have to live without
I could get used to this
I could get used to this
I could get used to feelin' the way that I do
I know, I know, I know how it goes
Baby, will I get the chance?, ho
I could get used to feeling the way that I do, ohh
I know, I know, I know how it goes
Baby, will I get the chance?, oh, oh
I could get used to feeling the way that I do
