

# EGO

## Bibi Bourelly

[Verse 1]

I'm nineteen years old with a big ego  
Got holes in my plans but a sick flow  
Can't nobody tell me I ain't real, no  
Cause all I'm around is fake people  
I got a lot of haters, I'ma let them niggas hate  
I won't ever be fake, that ain't up for the vape[Refrain]  
And I won't ever, ever, ever, ever, ever, ever, ever give a fuck  
Won't ever, ever, ever give a fuck[Chorus]  
You won't bring me down, down, d-d-down  
Down, d-d-down, down, d-d-down  
You won't bring me down, down, d-d-down  
Down, d-d-down, down, d-d  
You got me fucked up  
You got me fucked up, oh Lord[Verse 2]  
They want me to be this picture-perfect girl  
In a little picture-perfect world  
But I cuss when I talk, and I lean when I walk  
And I've been through some shit and I've gained and I've lost  
And all of the teachers used to keep me after the class  
Behind the school bleachers suckin' on cigarettes  
I'm out of the norm since the day I was born  
And I put this on life, I won't ever conform[Refrain]  
I won't ever, ever, ever, ever, ever, ever, ever give a fuck  
Won't ever, ever, ever give a fuck[Chorus]  
You won't bring me down, down, d-d-down  
Down, d-d-down, down, d-d-down  
You won't bring me down, down, d-d-down  
Down, d-d-down  
You got me fucked up  
You got me fucked up[Bridge]  
Went from high school to Hollywood  
From Hollywood to stadiums  
From stadiums to the whole wide world singin' my song along  
Berlin to Tokyo, Egypt to USA  
If you're still holdin' on, let me hear you say[Chorus]  
You won't bring me down, down, d-d-down  
Down, d-d-down, down, d-d-down  
They won't bring you down, down, d-d-down

Down, d-d-down, down, d-d-down  
Oh they got you fucked up
