

Everything Is Free

Dada Life

Make this night the one,
there's riots in the streets,
but we're just havin' fun,
champagne is down the drain. Not before we're done,
the world is gonna end,
and we're just havin' fun fun fun fun fun fun fun fun. Everything is free. Make this night the one,
there's riots in the streets,
but we're just havin' fun,
champagne is down the drain. Not before we're done,
the world is gonna end,
and we're just havin' fun fun fun fun fun fun fun fun...
