

# One for Jo (Alternate Version)

**Bert Jansch**

It's one for Jo  
Don't let your man go  
He's a dreamer darling  
He's even kind'a slow  
I don't believe the tales he tells  
But they're always nice to hear  
He's a dreamer darling  
Always keep him near  
In a white tuxedo  
He's remarkably cool  
A prince of living  
Who knows all the rules  
In a black sedan so royally  
He takes his love to school  
And no-one can reproach him  
No-one but a fool  
He's a bold sea captain  
In his boots and oilskin hat  
Struggling blindly  
Through seas wild and black  
Down the river he glides  
With his baby by his side  
And when you think of that gal  
How can your love hide  
It's one for Jo  
Don't let your man go  
He's a dreamer darling  
He's even kind'a slow  
I don't believe the tales he tells  
But they're always nice to hear  
He's a dreamer darling  
Always keep him near
