

Stupid Boy

Owl John

A rubber mind, a messy heart
I'm breaking down on boulevards
A dumb and dickless rocking horse
Forever witless, never fully grown(How can I? How can I?)
Come to be such a stupid boy?
(How can I? How can I?)
I may be what you're looking forUnlucky pop, a messy head
I'll piss in public, I'll shit the bed
Calm me down now, my beetle block
Please tell me how to, you're never wrong
I need assistance just to live
I'll never listen, please try anyway
(How can I? How can I?)
Come to be such a stupid boy?
(How can I? How can I?)
I may be what you're looking for
(How can I? How can I?)
Come to be such a stupid boy
(How can I? How can I?)
I may be what you're looking forCan you please tell me why?
Can you please tell me why?
