

If I Said

Ratcat

(THE DARLING BUDS)

I don't know what to make of you,
you don't know what, you put me though...

I don't know what to say or do,
I don't wanna be, touched by you
touched by you

If I said a 1000 words, then all at once,
you take my breath away.

you don't know what you done to me
I can't make you, what you want to be

I don't know what Im trying to say.

I can't tell you in this way... in this way

If I said a 1000 words, then all at once,
you take my breath away.

and if I said a 1000 times the same old wines,
you take my breath away

I don't know what to make of you,
you don't know what you put me though

I don't know what to say or do,
I don't wanna be touched by you
touched by you

If I said a 1000 words then all at once you take my breath away.

Away..... away..... away..... away!!!!!!
