Club Slut

Hot Action Cop

Chicka chicka ahh,

You say you want you a club slut who got the big fat ass,
The kind that got them DSL's and shake her booty fast,
Well know this before you go to sleep at night,
Well never trust a fella look ya mom in the eye aight?
And when she gets in your face you say,
Oh no no no bitch get outta my way hey!
Because you know she gonna stay,
And so you know you gonna play...
Get up on the dance floor break it down shake your butt,
Cause you know you gettin' on with the club slut,
You know you like it fast,
She knock you on your ass!
Woah yea oh yea oh billy don't be silly baby go back home,
Oh I know yeah but,
So he fell in love with the club slut,

The kind that never ever say no,
And got the fake green eyes,
Well know this before you start going down,
But I drag her ass to the doctor get some blood work done,
And then knock it around,
So you think you're swingin' it big,
Packin' a rig,
Like you was lover Jones,
Watch out cracka,

Just bones,
Nothin' but love bones!
Ya know she gonna stay,
So ya want it every day...
Get up on the dance floor break it down shake your butt,
Cause you know you gettin' on with the club slut,
You know you like it fast,
She knock you on your ass!

Oh I know yeah but,
So he fell in love with the club slut,
Woah yea oh yea oh billy don't be silly baby go back home,
