

Viva la revolution

Dragon Ash

Into the dungeon with evil men
The people have risen we're free again Come out of the closet
Come out of the hole
Come out of the woodwork
Come into the fold Rebels and fighters, a license to kill
Unite with the bandits down from the hills Open your windows
Open your doors
Open your minds
To a freedom of thought Viva la revolution, viva la revolution
Viva la revolution, viva la revolution Raise our voices, raise our flag
Smash the symbols of the life we've had Long live the people
Long live the scheme
Long live our hopes
Long live the dream Dance in the streets at the carnival
Celebrate the victory now
Drink the wine from the rich man's cask
This revolution won't be the last Viva la revolution, viva la revolution
Viva la revolution, viva la revolution
