

Dark Globe

[R.E.M.](#)

Oh where are you now?
Pussy willow that smiled on my sleeve
When I was alone, you promised a stone from your heart
My head kissed the ground,
I was half the way down, treading the sand
Please... please lift a hand, I'm only a person
Whose armbands beat on his hands hang tall Won't you miss me? Why don't you miss me at all? My head
touched the ground, I was half the way down,
Strumming the sand
Please lift a hand, I'm only a person
With eskimo chain, you tattered my brain all the way Won't you miss me? Why don't you miss me at all?
