Advisory - the following lyrics contain explicit language:

Yeah, girl I see over there looking all sexy
I'm tryin' to get next to you
You know what I'm sayin'
Fine lil' thing you
Yeah Let me turn you on, let me make you holler
Baby, I can make you scream my name
I know what you like and I know that you want it
Baby, I know I can make you cream I know I can get it and you know that you're with it
Baby, won't you let me state my case
I know you're not tripping, you know I'm not tripping
Baby if you wanna play, let's play, yeah, yeah Your sweetness is my weakness
Every time I lick it up, my fingers babe
Your essence is present
Even when you walk away from me, it stays Your sweetness, that sweetness
Can't deny it when I do it my way
Your sweetness, that sweetness
Every time you walk away from me, it stays You know I'm not phony, you're my tenderoni
I can sex your body up all day
You know I'm not nasty but I can do it nasty
I can flip you up a thousand ways Girl, I got the potion, your body is a ocean
Let me show you how the water makes waves
You know I'm not tripping, I know you're not tripping
Baby if you wanna play, let's play Your sweetness is my weakness
Every time I lick it up, my fingers baby
Your essence is present
Even when you walk away from me, it stays Your sweetness, that sweetness
Can't deny it when I do it my way
Your sweetness, that sweetness
Every time you walk away from me, it stays, baby You're finally sayin' yes
You're finally sayin' yes, girl
We could do it now
We could do it right now Time is on our side

No, we can do it all night
Only take that off
'Cause you're finally lookin' good to me Your sweetness is my weakness
Every time I lick it up, my fingers babe
Your essence is present
Even when you walk away from me, it stays Your sweetness, that sweetness
Can't deny it when I do it my way
Your sweetness, that sweetness
Every time you walk away from me, it stays Your sweetness, yeah, your sweetness, yeah
Your sweetness, girl
Yes, my weakness, yes, my weakness, baby
Ooh hoo, ooh, your sweetness, oh baby, baby
Yeah, yeah, uh, um, um um um um
