Caelum noctis;
in tenebris
Astra et astra et luna
non nubilae
calum serenum
tantus cantus ventusAmoenum mare
Amoena terra
Amoena orbis terrariumSalum et aestas
et via prcul
Navis noctuabundumAmoenum mare
Amoena terra
Amoena orbis terrarium
Amoenum mare
Amoena terra
Amoena orbis terrarium(translation
The night sky
in the darkness and the moon,
no clouds, a clear sky,
the great song of the wind;The beauty of the sea
the beauty of the earth
the beauty of the world around meThe open sea and summer
and a distant journey
A ship travelling by nightThe beauty of the sea
the beauty of the earth
the beauty of the world around me
The beauty of the sea
the beauty of the earth
the beauty of the world around me)
