

# Fire in the Water

## Feist

Love's the sweetest feeling  
Openly believing  
No matter what we find there  
Come back in through the eyes there  
Sole and born creation  
The lion's in the house  
Flowers are up in the air

Crashing against the darkAh, haha haha hah, ah, haha haha hah, ah, haha haha hah, ouh oh hahaFire in the water  
Is the body of our love  
Nobody should see this

The freeness of the lightAh, haha haha hah, ah, haha haha hah, ah, haha haha hah, ouh oh hahaFire in the water  
Is the body of our love
