Lean On Me

So Hyang

sometimes in our lives
we all have pain,
we all have sorrow
But if we are wise
we know that there's
always tomorrow

lean on me
when you're not strong
I'll be your friend
I'll help you carry on,
For it won't be long
till I'm gonna need
somebody to lean on

Please
Please swallow your prideÂ
if i have things
you need to borrow
For no one can fill those of your needsÂ
that you won't let show

Sometimes in our lives
we all have pain,
we all have sorrow
But if we are wise
we know that there's
always tomorrow
Tomorrow

Call on call on
call on call

lean on me
when you're not strong
I'll be your friend
I'll help you carry on
You need to lean on
I help you carry on

You're gonna need somebody lean on

Lean on me
When you're not strong
I'll be your friends
(I'll help you) carry on
For it won't be long
till I'm gonna need
somebody to lean on

Just call on me my brother
when you need a hand
we all need somebody to lean on
You can lean on
You can lean on
You can lean on oh oh

You can lean on
You can lean on
Just lean on
If you need a friend

You can lean on
You can lean on
Just lean on
If you need a friend

You can lean on, you can lean on
You can lean on,
Just lean on lean on lean on
Oh you can (lean on)
You need

You can lean on
You can lean on
Lean on me
And if I need a hand
Carry
Carry on
it won't be long
Till I'm gonna need somebody to

(You can lean on)
Just call on me my brother
(we all have pain)
I'll be there

I'll be there Carry on

Brother and sister
(For it won't be long)
We all need a friend
(till 'm gonna need somebody to lean on)
Just lean on

Call on call on
Call on call on
And just lean on
