

# Rise

## Eddie Vedder

Such is the way of the world  
Can't ever know  
Just where to put all your faith  
And how will it grow Gonna rise up  
Burning black holes in dark memories  
Gonna rise up  
Turning mistakes into gold Such is the passage of time  
Too fast to fall (fold)  
Suddenly swallowed by signs  
Lo and behold Gonna rise up  
Find my direction magnetically  
Gonna rise up  
Throw down my ace in hole
