

Good Morning Heartache

Diana Ross

Good morning heartache
You old gloomy sight
Good morning heartache
Thought we said goodbye last night

I tossed and turned
Until it seemed you had gone
But here you are with the dawn
Wish I'd forget you

But you're here to stay
It seems I met you
When my love went away
Now every day I start by

Saying to you
Good morning heartache, what's new?
Stop haunting me now
Can't shake you no how

Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Good morning heartache

Here we go again
Good morning heartache
You're the one who knew me well
Might as well get used to you

Hangin' around
Good morning heartache
Sit down
