

# Boys (The Co-Ed Remix) [feat. Pharrell Williams]

## Britney Spears

For whatever reason, I feel like  
I've been wanting you all my life  
You don't understand, I'm so glad  
We're at the same place at the same time And it's over now, I spotted you dancin'  
You made all the girls stare  
Those lips and your brown eyes  
And the sexy hair I should shake my thing  
And make the world want you  
Tell your boys you'll be back  
I wanna see what you can do What would it take for you to just leave with me?  
Not tryin' to sound conceited but you and me are meant to be  
You're a sexy guy, I'm a nice girl  
Let's turn this dance floor into our own little nasty world Boys, sometimes a girl just needs one  
Boys, to love her and to hold, to touch me  
Boys, and when a girl is with one  
Boys, then she's in control Took the boy off the dance floor  
Screaming in his ear  
Must've said somethin' 'bout me  
'Cause he's lookin over here You lookin' at me  
With a sexy attitude  
But the way your boys movin' it  
It puts me in the mood What would it take for you to just leave with me?  
Not tryin' to sound conceited but you and me are meant to be  
You're a sexy guy, I'm a nice girl  
Let's turn this dance floor into our own little nasty world Boys, sometimes a girl just needs one  
Boys, to love her and to hold  
Boys, and when a girl is with one  
Boys, then she's in control Tonight let's fly, boy, have no fear  
There's no time to lose and next week  
You may not see me here  
So boy just make your move Boys, sometimes a girl just needs one  
Boys, to love her and to hold  
Boys, and when a girl is with one  
Boys, then she's in control Come with me, let's fly into the night  
Oh boy, tonight is ours  
Keep loving me make sure  
You hold me tight  
Let's head for the stars, get nasty Boys, sometimes a girl just needs one  
Boys, to love her and to hold

Boys, and when a girl is with one  
Boys, then she's in control  
Can't live with 'em  
Can't live without 'em
