Little House

Amanda Seyfried

I love this place
But it's haunted without you
My tired heart
Is beating so slowOur hearts sing less than
We wanted, we wanted
Our hearts sing 'cause
We do not know, we do not knowTo light the night, to help us grow
To help us grow
It is not said, I always knowYou can catch me
Don't you run, don't you run
If you live another day
In this happy little house
The fire's here to stayTo light the night, to help us grow
To help us grow
It is not said, I always knowPlease don't make a fuss, it won't go away
The wonder of it all
The wonder that I made
I am here to stayI am here to stay
Stay
