

Little House

[Amanda Seyfried](#)

I love this place
But it's haunted without you
My tired heart
Is beating so slow Our hearts sing less than
We wanted, we wanted
Our hearts sing 'cause
We do not know, we do not know To light the night, to help us grow
To help us grow
It is not said, I always know You can catch me
Don't you run, don't you run
If you live another day
In this happy little house
The fire's here to stay To light the night, to help us grow
To help us grow
It is not said, I always know Please don't make a fuss, it won't go away
The wonder of it all
The wonder that I made
I am here to stay I am here to stay
Stay
