## **Little House**

## **Amanda Seyfried**

I love this place But it's haunted without you My tired heart Is beating so slowOur hearts sing less than We wanted, we wanted Our hearts sing 'cause We do not know, we do not knowTo light the night, to help us grow To help us grow It is not said, I always knowYou can catch me Don't you run, don't you run If you live another day In this happy little house The fire's here to stayTo light the night, to help us grow To help us grow It is not said, I always knowPlease don't make a fuss, it won't go away The wonder of it all The wonder that I made I am here to stayI am here to stay Stay
