Mamma Mia

A*Teens

I've been cheated by you since I dont know when
Though I made up my mind it must come to an end
Look at me now will I ever learn
I dont know how but I suddenly lose control
Well theres a fire within my soulJust one look and I can hear a bell ring
One more look and I forget everything, ohMamma Mia here I go again
My, my how can I resist you?
Mamma Mia does it show again
My, my just how much I've missed youYes I've been brokenhearted
Blue since the day we parted
Why? Why? Did I ever let you go?
Mamma Mia now I really know
My, my I could never let you goI've been angry and sad about things that you do
I cant count all the times that I've told you were through
And when you go when you slam the door, I think you know
That you won't be away too long, you know that Im not that strongJust one look and I can hear a bell ring
One more look and I forget everything, ohMamma Mia here I go again
My my how can I resist you?
Mamma Mia does it show again
My, my just how much I've missed youYes I've been brokenhearted
Blue since the day we parted
Why? Why? did I ever let you go?
Mamma Mia now I really know
My my I could never let you goMamma Mia here I go again
My my how can I resist you?
Mamma Mia does it show again
My, my just how much I've missed youYes I've been brokenhearted
Blue since the day we parted
Why? Why? Did I ever let you go?
Mamma Mia now I really know
My, my I could never let you go
Mamma Mia, Mamma Mia, Mamma Mia
