## Mamma Mia

## **A\*Teens**

I've been cheated by you since I dont know when Though I made up my mind it must come to an end

Look at me now will I ever learn

I dont know how but I suddenly lose control

Well theres a fire within my soulJust one look and I can hear a bell ring

One more look and I forget everything, ohMamma Mia here I go again

My, my how can I resist you?

Mamma Mia does it show again

My, my just how much I've missed youYes I've been brokenhearted

Blue since the day we parted

Why? Why? Did I ever let you go?

Mamma Mia now I really know

My, my I could never let you goI've been angry and sad about things that you do

I cant count all the times that I've told you were through

And when you go when you slam the door, I think you know

That you won't be away too long, you know that Im not that strongJust one look and I can hear a bell ring One more look and I forget everything, ohMamma Mia here I go again

My my how can I resist you?

Mamma Mia does it show again

My, my just how much I've missed youYes I've been brokenhearted

Blue since the day we parted

Why? Why? did I ever let you go?

Mamma Mia now I really know

My my I could never let you goMamma Mia here I go again

My my how can I resist you?

Mamma Mia does it show again

My, my just how much I've missed youYes I've been brokenhearted

Blue since the day we parted

Why? Why? Did I ever let you go?

Mamma Mia now I really know

My, my I could never let you go

Mamma Mia, Mamma Mia, Mamma Mia
