

Love No Go Die

[Olamide](#)

Its Young John, the wicked producer When my spirit don they low o

And I don't know where to go o

I dey always run to you

Cuz na you wey get the groove

This our love no go die o

I swear to God e no go die o

When my spirit don they low

And I don't know where to go o

I they always run to you

Cuz na you wey get the good

This our love no go die o

I swear to God e no go die

Give me lamba give me ginger

Make a rapper turn to singer

Anytime I they for danger

No dey fear to pull the trigger

People talk say love is blind o

But you always on my mind o

I dey see you every night o

When I they sleep after the grind o

You know it when I had a long day

Your love give me every Sunday

Before i go to work on Monday

I pray to God I make it one day

I want to take care of my baby

I no go mind to buy you Bentley

Water no get enemy to they without you girl is

When my spirit don they low o

And i don't know where to go o

I dey always run to you

Cuz na you wey get the groove

This our love no go die o

I swear to God e no go die o

When my spirit don they low

And i don't know where to go o

I they always run to you

Cuz na you wey get the good

This our love no go die o

I swear to God e no go die I swear it is hard to find a rider

Baby ayon no be spider
You want the Gucci and the Prada, baby girl i go provide am
I grind because of you my baby
I no they say thhat love is crazy
The car is open kinda wavy
Baby gonna keep the fire blazing
Just pretend like you dont know
People wey they jisoro
Girl, Na you they make me go low
No go ever feel sorrow
People rise and people fall
Some no get no one to call on
Anytime wey me i dey fall na you
They ginger me to start up When my spirit don they low o
And i don't know where to go o
I dey always run to you
Cuz na you wey get the groove
This our love no go die o
I swear to God e no go die o
When my spirit don they low
And i don't know where to go o
I they always run to you
Cuz na you wey get the good
This our love no go die o
I swear to God e no go die
