

Money for Love

[Tytan](#)

I see you there
The moonlight glistens in your hair
Your touch is cold but your eyes shine
As I feel your body close to mine
I don't know where I'm going or where I'm coming from
I just get the burning urge to be the only one I know what you do it for
Money
Money for love
Money
Money for love I don't know what I've come here for
But when you're gone I'll be back for more
I can't tell you the way I feel
No ties, that's the way you deal
I can't go on, I'm losing all control
You scratch my skin but you scar my very soul I know what you do it for
Money
Money for love Money
Money for love
