Cocteau Twins

Ooh, you have, ooh, you have
Ooh, you have, ooh, you haveHow do I feel about myself?
I try, I am resourceful, I contribute
I belong when I contributeI don't have to be perfect
I'm accepting myself as I really am
I'm feeling love for my successes(Thank you for showing me respect)
I think, yes
(The foundation of my self respect)
I'm doing a fine jobI think, yes, I'm doing a fine job
I'm accepting myself as I really am
I'm feeling love for my successes(Thank you for showing me respect)
I think, yes
(The foundation of my self-respect)
I'm doing a fine job
(Thank you for your encouragement)
I think, yes
(For my efforts and improvements)
I'm doing a fine jobOoh, you have, ooh, you have
Ooh, you have, ooh, you have
Ooh, you have, ooh, you have
Ooh, you have, ooh, you haveI think, yes, I'm doing a fine job(Thank you for showing me respect)
I think, yes
(The foundation of my self-respect)
I'm doing a fine job
(Thank you for your encouragement)
I think, yes
(For my efforts and improvements)
I'm doing a fine job
