

September In The Rain

[Rod Stewart](#)

The leaves of brown came tumblin' down, remember
In September in the rain
The sun went out just like a dying ember
That September in the rain To every word of love I heard you whisper
(I heard you whisper)
The raindrops seem to play a sweet refrain Though spring is here, to me it's still September
Ooh, that September in the rain To every word of love I heard you whisper
(I heard you whisper)
The raindrops seem to play a sweet refrain Though spring is here, to me it's still September
That September in the rain
That September in the rain
That September in the rain That September in the rain
