

Turn It Up

Paris Hilton

Yeah, that's hot
Yeah, it's got started, yeah Gonna make me scream
Wanna cause a riot
Make a lot of noise
I don't wanna be quiet When it gets real loud
Make it even louder
Gotta turn me on
Gotta make me higher You gotta know what to do
If you wanna get down
So don't go off this move
Now you're running out of time Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up Can you make me hot
Make me touch the ceiling?
Can you read my mind?
Can you gimme that feeling? When I lose my clothes
You like that, don'tcha?
Let's get exposed
'Cause you know you want to You got to know what to do
If you wanna get down
So don't go off this move
Now you're running out of time Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up Don't play around
Let's get it started now You can get it started
Don't be scared to party
Get up, move your body
It's time to party You gotta know what to do
If you wanna get down
So don't go off this move
Now you're running out of time Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up
Make me lose my mind
Turn it up Gonna make me scream
Wanna cause a riot
Make a lot of noise

I don't wanna be quiet When it gets real loud
Make it even louder
Gotta turn me on
Gotta make me higher You gotta know what to do
If you wanna get down
So don't go off this move
Now you're running out of time Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up
Turn it up, turn it up Don't be afraid to turn it up
Don't be afraid to turn it up
It's got started, yeah
