

Love on the Rocks

[Michael Ball](#)

Love on the rocks, ain't no surprise
Just pour me a drink and I'll tell you some lies
Got nothing to lose so you just sing the blues all the time
Gave you my heart, I gave you my soul
You left me alone here with nothing to hold
Yesterday's gone, now all I want is a smile
First they say they want you
Oh, how they really need you
Suddenly you'll find, you're out there
Walking in the storm
When they know they have you
Do they really have you?
Nothing you can do or say
You've got to leave, just get away
We all know the songs
You need what you need, well you can say what you want
Not much you can do when the feeling is gone
Maybe blue skies above but it's cold when your love's on the rocks
First they say they want you
Oh, how they really need you
Suddenly you'll find, you're out there
Walking in a storm
When they know they have you
Do they really have you?
Nothing you can do or say
You've got to leave, just get away
We all know the songs
Love on the rocks, ain't no big surprise
Just pour me a drink and I'll tell you some lies
Yesterday's gone and now all I want is a smile
