

# Thank You

## Kehlani

I never said that I had it all figured it out  
I never said, I never said that I live my days without doubt  
I swear all I've ever done was be honest  
And stay modest, oh  
So this is a, sincere, unscripted  
Unwritten for all that you've given  
Forgiving, I'm driven  
I wanna be better than I was  
Better than I am so I say All I'm trying to say is I thank you (you)  
I thank you (you)  
All I'm trying to say is I thank you (you)  
I thank you (you)  
All I'm trying to say is I thank you (you) I never said that I was done with my growth  
I never said, I never said that I was done doing the most  
And I swear all I've ever done was stay honest  
Keep my promise, oh So here goes my real life, unscripted  
Unwritten for all that you've given  
Forgiving, I'm driven  
I wanna be better than I was  
Greater than I am, so I say All I gotta say is I thank you oh whoah (you)  
Thank you, oh (you)  
All I gotta say is I thank you whoah (you)  
I thank you whoah, (you) Hey  
Thank you for watching me walk across the stage  
For walking me through my heartbreaks  
Thanks for the love every step of the way  
With no support this wouldn't be as great  
Thank you for making me stronger than most  
For taking it be on my clothes  
Thank you for raising a glass when I toast All I gotta say is I thank you, yeah yeah  
Thank you, oh  
All I gotta say is I thank you oh  
Thank you whoah  
All I gotta say is I thank you whoah  
All I gotta say  
All I gotta say  
Thank you  
Really

All I gotta say is I thank you
