

I'm Not the Only One

KIDZ BOP Kids

You and me we made a vow,
For better or for worse
I can't believe you let me down
with the prof and the way it hurts
You say i'm crazy
cuz you don't think I know what you've done
but when you call me baby I know im not the only one
You've been so unavailable
now sadly I know why
Your heart is unattainable
But I know that I still need you here
You say Im crazy cuz you don't think I know what you've done but when you call me baby I know im not the
only one
I have loved you for many years
Maybe that is just not enough
You've made me realize my deepest fear
Not having you around
You say im crazy cuz you don't think I know what you've done but when you call me baby I know im not the
only one I know im not the only one I know im not the only one and I know and I know and I know and I know
and I know I know I know im not the only one
