Dominion

Information Society

In the heat of the night
In the heat of the day
When I close my eyes
When I look your way
When I meet the fear
That lies inside
When I hear you say
In the heat of the moment
Say it, say it, say it
Someday, someday, someday...
Dominion
Come insideIn the light of the fight
On the lone and level sands such far away
In the heat of the action
In the settled dust, hold hold and stay
In the meeting of mind
Down, in the streets of shame
In the [?] of names are going to rust
In the land of the blind
We came, came, came, cameSomeday, someday, someday
Dominion
Come inside
Someday, someday, someday
Dominion
Some say prayers
I say mindI say mind
