

Every Kind of People

Ana Popovic

Said the fight to make ends meet
Keeps a man upon his feet
Holding down his job
Trying to show he can't be bought Ooh it takes every kind of people
To make what life's about yea
Every kind of people
To make the world go 'round Someone's looking for a lead
In his duty to a king or to a creed
Protecting what he feels is right
Fights against wrong with his life
There's no profit in deceit
Honest men know that revenge does not taste sweet
Whether yellow black or white
Each and every man's the same inside Ooh it takes every kind of people
To make what life's about yea
It takes every kind of people
To make the world go 'round You know that love's the only goal
That could bring a peace to any soul
Hey and every man's the same
He wants the sunshine in his name Ooh it takes every kind of people
To make what life's about yea
It takes every kind of people
To make the world go 'round
Mmh every kind of people
To make what life's about
It takes every kind of people
To make the world go 'round
