

# Blackjack

## Swati

Rollin' the dice  
Never thinkin' twice  
She took my breath away  
And now it's time to pay  
I got all my money on thirteen black tonight, yeah  
She's a sweet senorita, a real man eater  
She ain't gonna let me get home alive  
Blackjack  
She's a hell of a thrill  
Blackjack  
She's makin' a kill  
Fever runnin' high  
I got aces in my eyes  
She's got somethin' up her sleeve  
As I watch my chips bleed  
I got all my money on thirteen black tonight, yeah  
She's a sweet senorita, a real man eater  
She ain't gonna let me get home alive  
Blackjack  
She's a hell of a thrill  
Blackjack  
She's makin' a kill  
  
She's a hell of a thrill  
She's makin' a kill  
She's a hell of a thrill  
She's makin' a kill  
Blackjack  
She's a hell of a thrill  
She's makin' a kill  
She's a hell of a thrill  
She's makin' a kill  
Blackjack  
She's a hell of a thrill  
Blackjack  
She's makin' a kill  
Blackjack  
She's a hell of a thrill  
Blackjack

She's makin' a kill  
Blackjack, blackjack, blackjack  
Blackjack, blackjack  
Blackjack, blackjack
