

# Instant Crush

## Daft Punk Ft. Julian Casablancas

I didn't want to be the one to forget  
I thought of everything I'd never regret  
A little time with you is all that I get  
That's all we need because it's all we can take  
One thing I never see the same when your 'round  
I don't believe in him - his lips on the ground  
I wanna take you to that place in the "Roche"  
But no one gives us any time anymore  
He ask me once if i'd look in on his dog  
You made an offer for it then you ran off  
I got this picture of us kids in my head  
And all I hear is the last thing that you said  
[Pre Chorus]I Listened to your problems  
Now listen to mine  
I didn't want to anymore  
[Chorus]And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away  
Now I thought about what I wanna say  
But I never really know where to go

So I chained myself to a friend  
'Cause I know it unlocks like a door  
Some more again  
[Verse 2]It didn't matter what they wanted to see  
He thought he saw someone that looked just like me  
The summer memory that just never dies  
We worked too long and hard to give it no time  
He sees right through me it's so easy with lies  
Cracks in the road that I would try and disguise  
He runs his scissors at the seem in the wall  
He cannot break it down or else he would fall  
1000lonely stars, hiding in the cold  
Take it, oh I don't wanna sing anymore  
[Pre Chorus][Chorus]I don't understand, don't get upset, I'm not with you...  
We're swimming around, it's all I do,  
When I'm with you  
[Chorus]
