

# Lean On

## Pentatonix

Do you recall, not long ago  
We would walk on the sidewalk?  
Innocent, remember?  
All we did was care for each other

But the night was warm  
We were bold and young  
All around, the wind blows  
We would only hold on to let go

Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on  
Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on

All we need is somebody to lean on

What will we do when we get old?  
Will we walk down the same road?  
Will you be there by my side?  
Standing strong as the waves roll over

Mmm, nights are long  
Longing for you to come home  
All around the wind blows  
We would only hold on to let go

Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on  
Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on

All we need is somebody to lean on

Blow a kiss, fire a gun  
We need someone to lean on  
Blow a kiss, fire a gun  
All we need is somebody to lean on  
Someone to lean on  
All we need is somebody to lean on

(Blow a kiss, fire a gun  
We need someone to lean on)  
(Blow a kiss, fire a gun  
All we need is somebody to lean on)
