

Cheater

Danko Jones

Hey, cheap cheater, you remember my name
I can tell I kinda think that you don't
It took you only just a couple of days
You walked on and left me for broke Well all the girls know your name
All the guys play your game
The heart is always alone
And when I call you up to ask you out
Your (? bro' raised?), but you ain't never home
You're a cheater, baby
Kinda like it anyway
I like the way you laugh
When I cry all day Like cheap cheat can be to a face
You always move it on with (? I'm a go?)
How many times I caught you out of my town
I knew that (? you're hoping?), all alone Well all the girls know your name
All the guys play your game
The heart is always alone
And when I call you up to ask you out
Your (? bro' raised?), but you ain't never home
You're a cheater, baby
Kinda like it anyway
I like the way you laugh
When I cry all day
