

I'm Losing My Mind (f/ Bun B & The Kid Daytona)

Peter Bjorn and John

I'm losing my mind way behind
I'm losing my mind, that's why I ain't fine It's coming to get me, it's here to collect me
I can laugh if I have to but it won't make me happy
That's why I ain't fine, that's why I ain't fine I'm losing my mind way behind
I'm losing my mind, that's why I ain't fine
That's why I ain't fine I'm losing my mind way behind
I'm losing my mind way behind
I'm losing my mind way behind
I'm losing my mind way behind
