

Take Me Back

Michael Jackson

Take me back
Take me back where I belong
That's with you baby
Take me back
Take me back where I belong
That's with you baby I thought the grass was greener on the other side
Thought the sun shine brighter without saying goodbye
There's a card in my hand, tears fall like rain
I wanna come home again, I want you to Take me back
Take me back where I belong
That's with you baby
Take me back
Take me back where I belong
That's with you baby Ain't no love in this world
Ain't no love in this world without you
No no ain't no love in this world without you In my search to find myself
I saw your face and nothing else
Every place I go everything I do
I still feel the need for you come on and Take me back
Take me back where I belong
That's with you baby
Take me back
Take me back where I belong
That's with you baby I'm on my way back to you
And I wanna make it up to you
And all the problems that I caused you
If it takes my life I'll make it up to you
I just want you to take me, take me
Take me, take me, take me, take me Take me back, forgive me
Take me back where I belong
If you can, if you can find it
In your heart to forgive me yeah
Take me back where I belong
That's with you baby
With you, with you, with you darling, yeah, yeah
Take me back yeah
Take me back where I belong
That's with you baby
