

# S.O.F.T.

## Elastica

And now we find  
Looking back at your state of mind  
Was it all just a cover up  
Woke your mother up, you were on TVDid the devil say to you  
You can make it through?  
I'll take you to the top  
And now that you're heaven bent  
And it pays the rent  
Is it hard to stop?S.O.F.T.  
Thought you knew the score  
S.O.F.T.  
Always wanted more  
S.O.F.T.  
Are you sure? You're sure  
S.O.F.T.And now we find  
Looking back at your state of mind  
Was it all just a cover up  
Bring your mother up on my TVDid the devil say to you  
You can make it through?  
I'll take you to the shop  
And in a dress too small  
To be a dress at all  
Is it hard to stop?S.O.F.T.  
Thought you knew the score  
S.O.F.T.  
Always wanted more  
S.O.F.T.  
Are you sure? You're sure  
S.O.F.T.
