

# Nasty Dogs and Funky Kings

## ZZ Top

Well, I knocked down on your door, baby  
To see if you were at home  
Your shade was down, there wasn't even a sound  
But something told me you weren't alone  
What in the world can a nasty dog do  
But try to get next to you?  
Don't laugh 'cause it ain't funny  
Look how it happened to me  
It could happen to you, you could be a fool too  
And it'd leave you in misery  
I guess there's nothin' more funky king can do  
But to try to get next to you
