

# Burn It Down (Live In San Diego)

## Avenged Sevenfold

Jealousy's an ugly word, but you don't seem to care  
Converse behind my back, but now I'm here  
Need no one to comply with me though everyone that I defeat  
Don't need you, fuck camaraderie, this rage will never go away  
Hatred fuels my blood  
I'll burn ya down (You can't help me)  
One king to watch the horsemen fall  
I'll fight 'til the end (I won't help you)  
I can't trust anyone (See it in my eyes)  
Now I can understand  
It's sorrow that feeds your lies  
Whoa, yeah! You're on my back when the water gets too deep for you to breathe  
A crutch for you that won't always be there  
Hide in the dark another day  
The fear in you is here to stay  
So keep the fuck away from me and learn to trust the words I say  
Hatred fuels my blood  
I'll burn ya down (You can't help me)  
One king to watch the horsemen fall  
I'll fight 'til the end (I won't help you)  
I can't trust anyone (Witness and see it in my eyes) Now I can understand  
Put faith in you for the last time  
It's sorrow that feeds your lies  
Huh! Yeah, yeah! Running from me before I tear you down (Be afraid)  
You chose the wrong side (It feels so right)  
I won't help you, let you run away (Despise what you say)  
Run towards the light exposing your soul (We won't be there by your side)  
Salvation's dying (Somebody's crying)  
We're all gone in the end  
Sweet child we'll miss you  
Whoa, so far away, far away I can't trust anyone (Witness and see it in my eyes)  
Now I can understand (Put faith in you for the last time)  
It's sorrow that feeds your lies  
Falling away  
Can't buy back time  
Burn it down anyways
