

# What If

Jason Derulo

What if?  
What if I'm the one for you?  
And you're the one for me?  
What if? If you are the one  
Then us meeting here is fate  
Future with a dog named Red  
Buy a house with a fireplace This is the first I've seen your face  
But there's a chance we are soul mates  
I know this might sound crazy  
'Cause you don't know my name But we can't, we can't tell the future, no  
But that's just the beauty of the world we know  
So I'ma say du, du, du-du, du-du, du-du, baby, what if?  
We all can say du, du, du-du, du-du, du-du, baby, what if? What if? What if? What if?  
What if? What if? What if? Yeah, picture me on one knee  
With the perfect diamond ring  
We just met but if you said yes  
We'd have our wedding on the beach It could happen, raise three kids  
And we grow old oh, so happily  
I know this might sound crazy  
'Cause I don't know your name But we can't, we can't tell the future, no  
But that's just the beauty of the world we know  
So I'ma say du, du, du-du, du-du, du-du, baby, what if?  
We all can say du, du, du-du, du-du, du-du, baby, what if? Don't know what tomorrow brings  
But I'm still hoping that you are the one for me  
Oh, and what if I had you and what if you had me  
And, baby, what's the reason we can't fall in love? What if? What if? What if?  
What if? What if? But we can't, we can't tell the future, no  
But that's just the beauty of the world we know  
So I'ma say du, du, du-du, du-du, du-du, baby, what if?  
We all can say du, du, du-du, du-du, du-du, baby, what if? But we can't, we can't tell the future, no  
But that's just the beauty of the world we know  
So I'ma say du, du, du-du, du-du, du-du, baby, what if?  
We all can say du, du, du-du, du-du, du-du, baby, what if?
