

Clit Licker

GG Allin

Hey little girls, and all you big girls too
Squat right down and lick your clit for you
Come on over and sit on my face Yea, wanna lick your clit, clit wanna lick your tit
Yea, I wanna lick your clit, take a seat lick your clit
Come on, I wanna lick your clit, wanna lick your fucking clit Bring your mother, and bring your sister too
I'm a clit licker, and I wanna lick you
Wanna eat you inside out through
Serve on my prick, that's what I'll do for you Sit on my prick and I'll lick your clit
Sit on my prick and I'll lick your clit
Sit on my prick and I'll lick your clit
Sit on my prick and I'll lick your clit
Sit on my prick and I'll lick your clit
Sit on my prick and I'll lick your clit Sit on my face and I'll lick your clit
Sit on my face and I'll lick your clit
Sit on my face and I'll lick your clit for you
Sit on my face and I'll lick your clit
Sit on my face and I'll lick your clit
Sit on my face and I'll lick your clit for you Hey little girls, and all you big girls too
Sit on my face and I'll lick your clit for you
I'm gonna eat you inside out through
Serve my prick, that's what I'll do for you Sit on my prick and I'll lick your clit
Sit on my face and I'll lick your tit
Sit on my prick and I'll lick your clit for you
Yea, sit on my prick and I'll lick your clit
Sit on my face and I'll lick your tit
Sit on my prick and I'll lick your clit
