

In My Mind

WALK THE MOON

So I take this knife
And cut you out of my life
And I erase this night
And rewrite you out of my mind, whoa
The phone is off the hook
The keys are down the drain
Just an empty book with nothing on the page
I no longer have the voice to say goodbye, goodbye, goodbye Oh, in my mind, you won't be
In my mind, you won't be
In my mind, oh
In my mind, you won't be
In my mind, you won't be
In my mind
These scenes on repeat, can't see the road in front of me
So I crash my car on the way to the temple of your heart, oh
The covers off the bed
The keys are down the drain
Just an empty head with nothing left to say
I no longer have the strength to keep it alive, alive, alive Oh, in my mind, you won't be
In my mind, you won't be
In my mind, oh
In my mind, you won't be
In my mind, you won't be
In my mind, oh
In my mind, you won't be
In my mind, you won't be
In my mind, oh
In my mind, you won't be
In my mind, you won't be
In my mind
So maybe if I find another babe
Maybe if I get a house on the west coast with somebody else
Maybe if I settle down, maybe if I settle out maybe then, oh-oh
In my mind
You won't be in my mind
Oh, in my mind, you won't be
In my mind, in my mind Oh, in my mind, you won't be
In my mind, you won't be
In my mind, oh

In my mind, you won't be

In my mind, you won't be

In my mind, oh

I can't help myself, oh
