

# My Words Have Power

[Karen Clark Sheard](#)

Speak about your words  
Power of life and death is in your words  
Your words create your reality My words have power to defeat the enemy  
Those same words have power to speak life and prosperity  
I have been given the authority, yes I  
I can move mountains by the words that I speak  
By the power invested in me, I decree  
God's favor is resting on me  
I know my words, my words have power My destiny depends on me, depends on me  
I've changed my vocabulary  
From now I'm standing on what I believe  
There is no limit to what I decree  
I know my words, my words have power, power, power, power I speak it  
I've got to speak it  
I speak it  
You've got to speak it  
Into existence  
I speak over my life  
I speak it  
Over your life  
I speak it  
You've got to speak it  
I speak it  
Over your life  
I speak it  
Speak life into  
I speak it  
Your dead situation  
I speak it  
I speak it  
Open up your mouth  
I speak it  
Your miracle is  
I speak it  
Is in your mouth  
I speak it  
Speak things  
I speak it  
Into existence

I speak it  
Call out things that are not  
I speak it  
Call out things that are not  
I speak it  
As though they were  
I speak it  
As though they were  
I speak it  
Speak to your situation  
I speak it  
Don't let life  
I speak it  
Shut your mouth  
I speak it  
Don't let life  
I speak it  
Shut your mouth  
I speak it  
Stop talking to god  
I speak it  
About your mountain  
I speak it  
Tell your mountain  
I speak it  
About your god  
I speak it  
God is Jehovan  
I speak it  
God is Jehovan  
I speak it  
Can I get a witness?  
I speak it  
The devil is a liar  
I speak it  
I'm speaking life  
I speak it  
I'm speaking increase  
I speak it  
I'm walking in my increase  
I speak it  
I'm walking in my increase  
I speak it  
I'm walking in my increase  
I speak it

Enlarge my territory  
I speak it  
Enlarge my territory  
I speak it  
Enlarge my territory  
I speak it  
The devil is a liar  
I speak it  
I'm giong to speak blessing  
I speak it  
Over my finances  
I speak it  
Over my business  
I speak it  
Over my record company  
I speak it  
I speak it  
I speak it  
I speak it  
I'm going to speak  
I speak it  
You've got to say it  
I speak it  
Dance in advance  
I speak it  
Speak it in advance  
I speak it  
You've got to see it before you see it  
I speak it  
You've got to see it before you see it  
I speak it  
You've got to see it before you see it  
I speak it  
You've got to see it before you see it  
I speak it  
I speak it  
I speak it  
I speak it  
The enemy knows  
I speak it  
He got to go  
I speak it  
You can't touch me  
I speak it  
You can't bother me

I speak it  
You can't handle me  
I speak it  
You can't handle me  
I speak it  
I speak it  
I speak it  
I speak it  
I know  
I speak it  
That He can handle it  
I speak over your life
