

Woman from Tokyo (Bridge Version)

Deep Purple

Fly into the rising sun
Faces, smiling every one
Yeah, she is a whole new tradition
I feel it in my heart My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me Talk about her like a queen
Dancing in a eastern dream
Makes me feel like a river My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me But I'm at home
And I just don't belong So far away from the garden we love
She is what moves in the soul of a dove Soon I will see just how black was my night
When we're alone in her city of light Talk about her like a queen
Dancing in a eastern dream
She makes me feel like a river My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me
