

Gimme All Your Lovin or I Will Kill You

Macy Gray

He drives a g wagon
And he looks just like my dream
I been climbin' all his mountains
I been swimming all his seas No matter what or how I tried
I couldn't get the man to fall in love with me
Turns out he likes the girls with long and wavy hair
Mine is short and kinky
I have lost my mind See'mon and
Gimme all your lovin'
Or I will kill you
Put one through your head
Gimme all your lovin'
Or I will kill you
And cry when you're dead His whole body was shaking
And he holla'd when he fell to his knees
I held tighter to my ak
He said please please whatever you need
See I have searched the wide world
To find the peace for the war in me
Don't want to look no further
But you refuse to give it to me And I have lost my mind
See'mon and
Gimme all your lovin'
Or I will kill you
Put one through your head
Gimme all your lovin'
Or I will kill you
And cry when you're dead It's amazing what a gun to the head can do
My baby loves me now as hard as he can
My methods may be suspect
But you gotta get love however you can I have lost my mind!
