## The Flickers

Raise your voice in swells, find your meanings then  
Use your signs inside to relive and never care.No point in holding back on what you're holding  
No matter it be shit or it be golden  
Foundations shift, they're still shifting  
We set up, we set up our fallsHold on tight to your fears  
Cause that's your hatred  
And that's your love as wellLearn to use all your fears  
As a fuel, an engine  
To get you where you needI must always remember...  
There's no point to surrenderNo point in holding back on what you're holding  
No matter it be shit or it be golden  
Foundations shift, they're still shifting  
We set up, we set up our fallsHold on tight to your fears  
Cause that's your hatred  
And that's your love as wellLearn to use your fears  
As a fuel, an engine  
To get you where you needI must always remember...  
There's no point to surrenderI shift.I shift.
