Binge Purge

Death By Stereo

Bringing on the hatred, bringing the lies,
Bringing on the violence, devouring our lives,
This world is so cold; you feed on the meek,
We're gutting up ourselves, fear keeps us weakSo I purge out all this violence, ignorance, apathy,
I destroy your Babylon, kingdom of misery,
As we survive these wars you fight now you will quickly learn,
You can't erase true desire, watch your empire burnSome people have so much respect for their superiors, they have none left for themselves,
I'm thrusting trying my best to fuck and ruin you, now you're locked in my cell,
For all of the rejected souls, No love, no regret, no mercy,
We give you the collective cum, you're just a cheap fuckSo I purge out all this violence, ignorance, apathy,
I destroy your Babylon, kingdom of misery,
As we survive these wars you fight now you will quickly learn,
You can't erase true desire, watch your empire burnSo I purge out all this violence, ignorance, apathy,
I destroy your Babylon, kingdom of misery,
As we survive these wars you fight now you will quickly learn,
You can't erase true desire, watch your empire burn
