

Jigsaw (Prod. By Polow Da Don)

Lloyd

Remember when I told you I'd be honest wit you baby,
Well I got somethin' I need to tell you.
This ain't about no other girls,
This ain't even about you
I mean I still love you
Say you been so lost (I just gotta get my shit together)
Say you been so lost See you don't remember the last time you asked
"baby where you goin'?" Or the last time,
You heard the key too lock without you knowin'.
But I got it all out of my system and told my alibi bye,
That you feel like my only because I gave up my sidelines. And I thought that you was sleepin',
But you've been watchin'
And your tongue ain't sayin' nothing.
'Cause baby you don't know,
Yeah ever since recent I been back in the clear and oh
Tryna to figure out my jigsaw,
Say you've been so lost. I've been giving mixed feelings
You want it back but we kept it, open.
I'm so guilty it ain't nothing like when you had me,
Open
Open Yeah I know I pinky promised I wont screw you over,
Instead I made you call your pillow super soaker.
Wonderin' why I canceled my plans with you on my day off,
Searchin' in my pocket for my phone or check my call log And I thought that you was sleepin',
But you've been watchin' and your tongue ain't sayin' nothing.
'Cause baby you don't know,
Yeah ever since recent I been back in the clear and oh
Tryna to figure out my jigsaw, see you've been so lost. I've been giving mixed feelings you want it back
But we got there, open.
I'm so guilty that it ain't nothing like
When you had me girl, open (open)
When you had me You want it back but you cant girl I've been giving mixed feelings
I've been giving mixed feelings
You want it back but we kept it, open.
I'm so guilty that it ain't nothing like when you had me girl,
Open (open)
Open
I'm so sorry baby
